

GET A HEAD START ON YOUR COLLEGE CAREER!

The Dual Enrollment Program at The University of Alabama in Huntsville (UAH) is a great way to fast track your college career while still attending high school. Academically talented high school students may apply to concurrently enroll at UAH after their sophomore year.

HOW IT WORKS

Each semester, students may take up to two classes and will receive half-off tuition for one class. Upon successful completion of select courses, students seeking **dual enrollment** may receive college credit. Students from participating high schools may also seek **dual credit**, receiving both college and high school credit.
